networks available

SimCloud is my new BFF 4:35pm

No monthly fees or other costs 4:36pm

And it's so easy to use 4:36pm

...and it works 24 hours a day 4:37pm

I just sent data to more than 40 students! 4:38pm

How to start

- Register (free) at www.simcloud.co.za
- Top up your wallet with funds (only EFT available), put your cell number as the reference number
- Login to the website
- Enter the Cell Number to be recharged and select a Data Bundle or Airtime value
- Click 'Recharge Now' and
- Your transaction will appear in the Successful Transactions list
- The recipient will get a free confirmation SMS to confirm the recharge

Easy to load DATA...
